East Virginia

I don't want your green-back dol - lar I don't
want your sil - ver chain All I
want is your love dar - ling Won't you
take me back a - gain

I was born in East Virginia
North Carolina I did go
There I met a fair young maiden
And her name I did not know

Well her hair was dark of colour
And her cheeks were a rosy red
On her breast she wore white lilies,
Where I longed to lay my head

At my heart you are my darling
At my door you're welcome in.
At my gate I'll always meet you
You're the girl I'd tried to win

I'd rather be in some dark holler
Where the sun refused to shine
Than to see you with another
When you promised to be mine
